Re: American Transit Insurance Company v. Pierre, 1:24-cv-00360-RPK-CLP --
Discovery Status Reports

Dear Magistrate Judge Pollak:

We are counsel to Plaintiff American Transit Insurance Company (“American Transit”) in the above-referenced action and write in response to the status report letter that Defendants William A. Weiner, D.O. (“Weiner”) and Nexray Medical Imaging, P.C. d/b/a Soul Radiology Medical Imaging (“Nexray”) (ECF No. 103) filed in response to American Transit’s discovery status report letter, which were both filed earlier today. (ECF No. 101.) The primary thrust of defense counsel’s letter is that Weiner/Nexray in fact timely served interrogatory responses on November 19, 2024, when the American Transit report states they did not.

Following receipt of defense counsel’s letter, we reviewed our records and confirmed that the Weiner/Nexray interrogatory responses were received by email on November 19, 2024. We have accordingly revised American Transit’s status report to acknowledge receipt of the interrogatory responses by email. The revised letter report will be filed following this letter.

We apologize to the Court and defense counsel for this oversight.

Respectfully submitted,

/s/ *James W. Perkins*
